Day-by-Day Program Itinerary

Day 1 | Depart Home City

Depart for Paris, France.

Day 2 | Paris, France | Honfleur | Embark

Arrive at Paris-Charles de Gaulle Airport.

Transfer to Honfleur, your port of embarkation for your cruise. Get settled in your cabin aboard the Le Laperouse and get to know the ship. Join your group for a safety drill.

Enjoy dinner on the ship and gather with new friends to chat about the exciting journey ahead.

Day 3 | Caen | D-Day Sites

The ship arrives in Caen this morning for a day of exploring the sites of one of World War II's most significant battles, Operation Overlord.

Join Distinguished Guest Speaker Dwight David Eisenhower II, a noted historian and the grandson of President Dwight D. Eisenhower, for an insightful talk.

Longues-sur-Mer, Normandy American Cemetery and Omaha Beach. Travel to Longues-sur-Mer to see the well-

preserved coastal German artillery battery positioned between Omaha and Gold landing beaches and ideally located for the Germans to fight Allied forces coming ashore. On D-Day, Allied ships traded fire with the German 150 mm and 120 mm guns, softening the German pillboxes. On the next day, British infantrymen captured the German fortification. Continue to Colleville-sur-Mer, where guest lecturer Professor Dwight D. Eisenhower II leads a guided walk through the Normandy American Cemetery and Memorial. After, visit Omaha Beach, the six-mile stretch of beach assigned to U.S. troops. (Moderate)

Lunch will be served at a restaurant during the excursion. Join your group for a transfer to Arromanches, where you will have free time.

Welcome Reception and Dinner: Join your fellow travelers for a Captain's Welcome Reception and Dinner on board the ship this evening.

The ship departs Caen.

Day 4 | Guernsey, Channel Islands

Wake this morning to breakfast on board and a fantastic day of exploring Guernsey Island.

Join Dwight David Eisenhower II for another enriching talk.

Guernsey Island Tour. Embark on a memorable journey around Guernsey's breathtaking coastline, showcasing its natural beauty, history and cultural landmarks. Begin with a visit to the Little Chapel, one of the world's smallest churches, lovingly decorated with seashells, pebbles and colorful fragments of china. This charming, hand-built chapel offers a perfect photo opportunity and a glimpse into the island's unique religious heritage. Continue along the dramatic south coast, known for its rugged cliffs, scenic bays and panoramic sea views. A highlight of this section is Pleinmont Point, a windswept headland offering striking views of the Atlantic. It is also home to the Pleinmont Observation Tower, a five-story concrete structure built by German forces during World War II. Between 1942 and 1945, this tower formed part of Hitler's Atlantic Wall — an extensive coastal defense system constructed during the Nazi occupation of the Channel Islands. Today, the tower stands as a stark reminder of Guernsey's wartime past and can sometimes be visited inside for a deeper historical experience. The experience concludes back in the island's charming capital, St Peter Port. (Moderate)

Dinner is served on the ship as we depart Guernsey.

Day 5 | Day at Sea

As you cruise today, take advantage of the time at sea to enjoy the amenities of the ship. Pamper yourself with a massage or fit in a workout at the gym. Later, you might want to meet friends at the Grand Salon. Dwight David Eisenhower II will also present another engaging lecture today.

Day 6 | Holyhead, Wales

Arrive in Holyhead, Wales, this morning. Holyhead is a port town on Holy Island (Ynys Gybi), which is linked to the

larger Isle of Anglesey in northwest Wales. Set off on your chosen excursion.

Traveler's Choice | Choose ONE of the following included excursions:

Caernarfon Castle. Tour the UNESCO World Heritage-designated Caernarfon Castle, a fortress built by Edward I of England as a defense against the Welsh, who were resisting English rule. Completed in 1330, 47 years after construction began, the castle is considered to be one of the finest examples of medieval architecture. (Moderate)

Bodnant Gardens. With 80 acres of formal gardens, woodland, and meadows featuring botanical collections from around the world, and exotic and rare plants and trees, Bodnant Gardens is a world-renowned horticultural gem. Tour the gardens, which feature five Italianate terraces, wildflower meadows, two ponds and much more. (Moderate)

This afternoon, listen to a performance by a Welsh choir before the ship departs Holyhead. Welsh choirs are unique because they reflect a national identity woven through song — blending community, language and emotion in a way few other choral traditions do.

Day 7 | Dublin, Ireland

Arrive in Dublin this morning. Dublin is a vibrant, walkable city known for its rich history, friendly locals and lively pub culture. From its Viking roots and Georgian architecture to its deep literary legacy and powerful revolutionary past, Dublin offers layers of culture and charm.

Dublin Exploration. Get acquainted with the vibrant city of Dublin. Admire the city's highlights, including St. Patrick's Cathedral. Visit Trinity College to see the legendary Book of Kells, a richly decorated medieval manuscript of the four Gospels of the New Testament, written in Latin and illustrated with intricate artwork. It is considered a masterpiece of Insular art — a unique style that developed in the British Isles after the departure of the Romans. (Moderate)

Return to the ship for lunch.

Free time: Explore Dublin at your leisure this afternoon. You can enjoy world-class museums, traditional Irish music, green spaces like Phoenix Park and cozy streets filled with stories. Whether you're after the "craic," a pint of Guinness, or a glimpse into Ireland's soul, Dublin delivers a warm and unforgettable experience.

This evening, musicians and dancers will entertain you with traditional Irish music and dancing.

Dinner is served on board.

Day 8 | Tobermory, Isle of Mull

Nestled on the northeastern coast of the Isle of Mull, the charming town of Tobermory is known for its brightly painted harbor and rich maritime history. Founded in 1788 as a fishing port, it later became associated with legends of shipwrecks, including a Spanish galleon said to have sunk in its bay. Enjoy an excursion that showcases its dramatic coastal scenery and heritage.

Return to the ship for dinner.

Day 9 | Iona, Scotland

Enjoy breakfast on board this morning as the ship approaches Iona, an island in Scotland's Inner Hebrides. Home to the historic Iona Abbey, founded by St. Columba in 563 A.D., it attracts pilgrims and history lovers alike. The island's stunning natural beauty — turquoise waters, white sandy beaches and rolling hills — makes it feel timeless and remote. With no cars, little noise and a deep sense of calm, Iona offers a unique chance to reflect, explore ancient ruins and connect with nature and heritage.

After lunch, disembark for an excursion.

Iona. On this emerald-green, teardrop-shaped island, experience an in-depth visit to Iona Abbey, founded in the year 563 and considered the birthplace of Christianity in Scotland. It was the monks of Iona who spread Christian ideas across Scotland and the north. St. Martin's Cross — dated to the eighth century — still stands by the roadside, and a replica of St. John's Cross is found by the doorway of the abbey. (Moderate)

Farewell Reception and Dinner: Join your fellow travelers for a Captain's Farewell Reception and Dinner on board the ship this evening.

Day 10 | Fairlie | Glasgow | Return to Home City

Following breakfast, disembark the ship in Fairlie and transfer to Glasgow Airport for your return flight home. Arrive in your home city and go through immigration and customs.

Those who have reserved the Glasgow and Edinburgh Post-Cruise Extension should refer to the separate extension itinerary for more information.
