Singapore Tour.

This morning, take a guided walking tour to discover Singapore’s old and new world, where diverse cultures meld together and come alive. The city's skyline is a mesmerizing sight, a symphony of glass and steel towers that shimmer in the sunlight. Juxtaposed with modern Singapore, the city-state’s colonial architecture, prevalent from the early 19th century through the mid-20th century, pays homage to the country’s rich heritage. Its captivating blend of European and Asian influences reflects its history as a British colony. Stately facades, wrought-iron balconies and columns are a few of the features that distinguish the colonial buildings.

Ethnic neighborhoods, including Kampong Glam (the Muslim quarter), Little India and Chinatown, attest to Singapore's multicultural heritage. Stroll to Kampong Glam and stop to admire the quiet majesty of Sultan Mosque, also known as Masjid Sultan, one of Singapore’s most prominent and historically significant mosques. The mosque's architectural style is an exquisite blend of Islamic, Malay and Moorish design. The large, stunning golden dome, adorned with crescent moons, is visible from a distance and adds to the mosque’s grandeur. Two tall minarets provide aesthetic interest and serve as call-to-prayer towers. Explore the quarter’s colorful food eateries and shops selling batiks, carpets, baskets and perfumes.

Next, immerse yourself in the vibrant colors and intricate patterns of Little India, where sari shops overflow with textiles and the air is filled with the scent of aromatic spices and fresh flowers. Explore Tekka Centre, a bustling microcosm of Indian culture, with its market brimming with vendors selling fresh produce, authentic Indian cuisine,

textiles and fabrics, jewelry, Indian music and art. Peruse the stalls and sample authentic foods. In Chinatown, see the vivid decor of vibrant reds and golds, intricate architectural details and lanterns hanging overhead, creating a captivating atmosphere. Wander among ornate temples, traditional teahouses and street markets selling oriental arts, crafts, antiques, foodstuffs and Chinese medicinal herbs.

Return to the ship and enjoy a tasty lunch. Spend the afternoon on board as the ship sails to Probolinggo.

Day 10 | Probolinggo

After breakfast on board, disembark for an excursion in Probolinggo.

Traveler’s Choice | Choose one of the following included excursions. (Please complete the separate Traveler’s Choice Reservation Form on the portal.)

Probolinggo Excursion. Founded in 1359 during the Majapahit era, Probolinggo—affectionately known as the "City of Grapes"—has evolved from a quiet coastal trading post into a bustling harbor town. Today, it serves as a gateway for adventurers heading to the volcanic peaks of Mt. Bromo.

After disembarking, set off for Sumber Naga, a vibrant Chinese temple built in 1865 by early settlers. It remains a lively spiritual hub for the local Buddhist, Confucian and Taoist communities. Swap the tour bus for a traditional pedicab (known locally as a becak) to explore the streets at a leisurely pace. We'll pause for photos at the town square and admire the graceful architecture of the central mosque.

Next, visit the famous Red Church. Built in the Netherlands during the 19th century, this Dutch Protestant church was shipped to Java piece by piece and rebuilt into the striking crimson steel landmark you see today. Wind down the morning at the Probolinggo Museum, exploring the city's rich multicultural tapestry, where Javanese, Chinese, Dutch and Madurese traditions blend seamlessly together. The excursion wraps up with a vibrant traditional dance performance and a relaxing refreshment break.

Before returning to the ship, spend free time browsing a traditional local market and shopping for spices, textiles or a last souvenir before heading back to the port, where lunch awaits onboard the ship. (Moderate)

Mt. Bromo Excursion. This full-day, active excursion will be varied and rewarding, using multiple types of vehicles throughout the day. Travel to Mt. Bromo, one of the most active volcanoes in Indonesia and an important pilgrimage site for Hindus. Mt. Bromo and its volcanic complex formed about 820,000 years ago. Towering at more than 7,600 feet and with a sprawling caldera, the volcano sits within Bromo Tengger Semeru National Park. Learn about the geological evolution of the area and its cultural and religious significance during today’s tour.

After a motorchoach ride (which takes about 90 minutes), transfer to 4x4 off-roading vehicles. Set off on an active, guided journey to various scenic viewpoints. If you dare, cross the Bromo Sky Bridge — a glass-bottomed bridge

about 140 yards across, which boasts panoramic vistas of Mount Bromo, Mount Batok and Mount Semeru. Descend into the Sea of Sand, a dramatic landscape of volcanic ash and sand that surrounds the volcano. Along the way, stop for a snack and refreshment break. Continue to the Bromo Savannah, a vast grassland formed during the rainy season. Return to the initial transfer point for a filling lunch with panoramic views of the Bromo Highlands before returning to the port. (Active)

Day 11 | Day at Sea

Wake this morning to breakfast and stunning views as you spend a day cruising. Relax and enjoy some of the ship's many luxury amenities as we sail toward Komodo Island.

Day 12 | Komodo Island

This morning after an early breakfast, disembark for a walking safari.

Komodo National Park.
Visit the Komodo National Park, a UNESCO World Heritage site and a protected area, for an illuminating walking safari with a park ranger and naturalist guide. The park encompasses several islands and is celebrated for its stunning landscapes, diverse marine life, terrestrial biodiversity, and its most famous residents, the Komodo dragons. These formidable reptiles, known as ora in the local language, are Earth's largest lizard — growing up to 10 feet in length and weighing up to 300 pounds — and they are the top predators in their ecosystem. Komodo National Park is home to various other wildlife, including deer, wild boars, water buffaloes, macaques and a rich bird population. Marine life is equally diverse, with numerous fish, turtles and dolphins in the waters. Walk the beach, looking for sightings of the stealthy Komodo dragon in its only natural habitat in the world.

Return to the ship and enjoy a tasty lunch.

Pink Beach. This afternoon, enjoy a refreshing swim stop at Komodo's famed Pink Beach. Here, red coral fragments and a microscopic organism called foraminifera mix with the white sand, creating a soft salmon-pink hue. The clear turquoise water features vibrant coral reefs, colorful fish and great snorkeling right off the shore. Swim and snorkel in the clear waters and relax on the pink sand. (Moderate)

*Please note, the order of today's excursions may change.

Day 13 | Badas, Sumbawa

This morning after breakfast, disembark for an excursion in Sumbawa.

Pamulung.
Travel to Pamulung village by motorcoach for an exclusive cultural experience. After the head of the local village welcomes you, you will observe local traditions in action. Watch villagers in the act of rice pounding, often done using large wooden or stone mortars and pestles. The rice is placed in the mortar, and a heavy wooden or stone pestle is used to crush the grains. This pounding action helps remove the remaining husks and bran layers from the rice. Also observe the traditional textile art of weaving that has been practiced for centuries. Each region in Indonesia has its unique weaving techniques, patterns and motifs. Then, experience the thrill of an exciting Sumbawa buffalo

race, also known as Pacu Jawi, a centuries-old tradition that is deeply ingrained in the culture of the Sumbawanese people. In the unique and exhilarating cultural spectacle, pairs of water buffalo are harnessed together and guided by jockeys who ride on small wooden sleds. The jockeys use their bare hands and feet to balance on the wooden sleds as the charging buffaloes pull them. Buffalo racing is not just a sporting event but a cultural celebration.

Return to the ship for lunch and a relaxing afternoon on board.

Join your fellow travelers for a Farewell Reception and Dinner on board the ship this evening.

Day 14 | Benoa, Bali Indonesia | Disembark | Bali

Following breakfast, disembark in Bali. Head off on this morning's excursion as your luggage is transported to the hotel.

Denpasar Tour. Tour the bustling capital and gateway city to the Indonesian province of Bali. Stop to visit the Bali Museum, also known as the Museum Negeri Propinsi Bali, one of the island's primary repositories of Balinese art, culture and history. Built in the style of temples and pagodas, it houses thousands of artifacts, masks and weaponry dating from the Mesolithic Age. Next, visit Jagatnatha Temple, the largest Hindu temple in the city and a spiritually significant symbol of Bali's deep-rooted Hindu traditions. Take note of the grand entrance gate, adorned with intricate stone carvings depicting scenes from Hindu epics; the tiered pagodas, or merus, that showcase Balinese temple architecture and craftsmanship; the pristine, white sand courtyard evoking purity and serenity; and the many sacred statues of Hindu deities.

Stop at Tohpati village, where you can observe traditional Balinese hand weaving and batik making, tour galleries and purchase some textile crafts.

Transfer to the deluxe Ritz-Carlton Bali and check in. Lunch is included today at the hotel.

Free Time: Spend the rest of the afternoon at your leisure. Make your own plans for dinner tonight.

Day 15 | Bali

After breakfast at the hotel this morning, spend your last day in Bali exploring independently. Make your own plans for lunch and dinner, and visit sights that appeal to you. The Gohagan Travel Hospitality Desk stands ready with dining and sightseeing recommendations.

Join your fellow travelers for a Farewell Reception at the hotel this evening. Bid Selamat Jalan (Have a nice journey!) to your newfound friends after your Southeast Asian adventure!

Day 16 | Bali | Return to Home City

This morning, breakfast is provided at the hotel. You will check out and transfer to the Denpasar International Airport for your return flight home. Check-out time is noon, but if your flight departs later than that, you can arrange to use hotel services during the day. Make your own plans for lunch today.
